### *Join Us and Get to Know Your Cairns Community*

Come along, meet others and find out about local community, children's and sporting groups.

Cairns Regional Council will be providing information packs about their services e.g. libraries, pools etc.

Tourism Queensland will also be available to give advice on local attractions and discounts.

Child care can't be provided at the Civic Reception Rooms (babes in arms are welcome though) so why not take advantage of Tinker Tailor, the Defence Community Recreation Centres' (DCRC) occasional child care.

Tinker Tailor Child Care is open Monday's and Thursday's 8.45am to 2.00pm.

Their child care workers are fully qualified and provide a wonderful kindy program that suits children from the ages of 6 months to 5 years.
